

SCORE FOR NEW BUSINESSES

SCORE is the nation's largest nonprofit association of expert business mentor volunteers dedicated to helping small businesses get off the ground, grow and achieve their goals through education and mentorship. They have been doing this for over fifty years.

Because their work is supported by the U.S. Small Business Administration (SBA), and thanks to the network of 10,000 volunteers, SCORE is able to deliver services at no charge or at very low cost.

SCORE is volunteer business people helping small business people solve business problems. Volunteers giving freely of their time, energy and knowledge to help others. SCORE volunteers donate over 1 million hours of their time each year to support their communities.

Partners for Progress and the Regional Chamber are seeking clients and mentors to start a local SCORE chapter. On Tuesday, September 26th, from 5:30pm to 6:30pm, SCORE is hosting an open house at the New Castle Public Library to discover more about becoming a SCORE client or mentor.

Business owners or those individuals thinking about starting a business should attend that evening. This is an opportunity to learn more about how SCORE can help you succeed in reaching your goals in business.

To learn more, please attend this free, no obligation open house at 5:30pm on September 26, 2017.

Let us know that you plan to attend by emailing lottie@lawrencecountychamber.org or call 724-658-1488.
